Well, all right so I'm being foolish

Well, all right let people know

About the dreams and wishes you wish

In the night when the lights are low

Well, all right, well all right

We'll live and love with all our might

Well, all right, well all right

Our lifetime love will be all right

Well, all right, so I'm going steady

It's all right when people say

That those foolish kids can't be ready

For the love that comes their way

Well, all right, well all right

We'll live and love with all our might

Well, all right, well all right

Our lifetime love will be all right

He's A Rebel - The Crystals

Intro: F

F
See the way he walks down the street, watch the way he shuffles his feet
Dm Bb C
My, he holds his head up high, when he goes walking by, he's my guy

When he holds my hand I'm so proud, 'cause he's not just one of the crowd
My baby's always the one, to try the things they've never done,
G C C#
And just because of that, they say

F Dm
He's a rebel and he'll never ever be any good
F C
He's a rebel 'cause he never ever does what he should
Bb A
But just because he doesn't do what everybody else does,
Dm Bb C
that's no reason why I can't give him all my love

F Dm
He's always good to me, always treats me tenderly
Bb C F C
'Cause he's not a rebel, oh no no no, he's not a rebel, oh no no no, to me

Inst: F Dm F Dm Bb C Bb C

F Dm
If they don't like him that way, they won't like me after today,
Bb C
and I'll be standing right by his side when they say

He's a rebel and he'll never ever be any good
He's a rebel 'cause he never ever does what he should
But just because he doesn't do what everybody else does,
That's no reason why we can't share a love

He's always good to me, good to him, I try to be
'Cause he's not a rebel, oh no no no,
he's not a rebel, oh no no no, to me
Oh! (He's not a rebel, oh no no no)

Sub B7 for B

Riff

Intro: E E Esus4 E E [x4]

Well, he walked up to me and he asked me if I wanted to dance
 He looked kinda nice and so I said I might take a chance

When he danced he held me tight and when he walked me home that night
 All the stars were shining bright and then he kissed me

Each time I saw him I couldn't wait to see him again
 I wanted to let him know that he was more than a friend
 I didn't know just what to do so I whispered I love you
 And he said that he loved me too and then he kissed me

He kissed me in a way that I've never been kissed before,
 He kissed me in a way that I wanna be kissed forever more

I knew that he was mine so I gave him all the love that I had
 and one day he took me home to meet his mom and his dad
 Then he asked me to be his bride and always be right by his side
 I felt so happy I almost cried and then he kissed me

Chorus

When I woke up, the rain was falling down,
 There were people standing all around

Something warm flowing through my eyes,
 But somehow I found my baby that night

I lifted her head, she looked at me and said;
 "Hold me darling just a little while"

I held her close I kissed her - our last kiss,
 I found the love that I knew I had missed

Well now she's gone even though I hold her tight,
 I lost my love, my life that night

Ah look at all the lonely people

Eleanor Rigby, Picks up the rice in a church
C **Em**
Where a wedding has been, lives in a dream

Waits at the window, wearing the face that she keeps in a jar by the door,

Em7 **Em6** **C/E** **Em**
All the lonely people, where do they all belong?

Father McKenzie, writing the words of a sermon that no one will hear,
no one comes near
Look at him working, darning his socks in the night when there's nobody
there, what does he care?

Chorus

Eleanor Rigby, died in the church and was buried along with her name,
nobody came
Father McKenzie, wiping the dirt from his hands as he walks from the grave,
no one was saved

No Reply - The Beatles

This happened once before, When I came to your door, no reply.
 They said it wasn't you, But I saw you peep through your window

I saw the light, I saw the light,
 I know that you saw me, 'Cos I looked up to see your face

I tried to telephone, They said that you were not home, that's a lie,
 'Cos I know where you've been, I saw you walk in your door

I nearly died, I nearly died,
 'Cos you walked hand in hand With another man in my place

If I were you I'd realize that I
 Love you more than any other guy,
 And I'll forgive the lies that I
 Heard before when you gave me no reply

I've tried to telephone, They said you were not home, that's a lie,
 'Cos I know where you've been, I saw her walk in your door

I nearly died, I nearly died,
 'Cos you walked hand in hand With another man in my place
 No reply, no reply

Roll Over Beethoven - The Beatles

Well gonna write a little letter, gonna mail it to my local DJ
 D7 **G7** **D7**
 G7 **D7**
 It's a rockin' little record, I want my jockey to play
 G **A7** **D7**
 Roll o-ver Beethoven, I gotta hear it again today

You know, my temperature's risin', and the jukebox blows a fuse
 My heart's beatin' rhythm, and my soul keeps on singin' the blues
 Roll o-ver Beethoven and tell Tchaikovsky the news

I got the rockin' pneumonia, I need a shot of rhythm and blues
 I think I got it off the writer, sittin' down by the rhythm review
 Roll o-ver Beethoven rockin' in two by two

D7
 Well, if you feel it and like it, go get your lover, then reel and rock it
 G7
 Roll it over and move on up just
 D7
 A trifle further and reel and rock it, roll it o-ver,

You know she wiggles like a glow worm, dance like a spinnin' top
 She got a crazy partner, oughta see 'em reel and rock
 Long as she got a dime the music will never stop

 While my guitar gently weeps
 With every mistake we must surely be learning
 Still my guitar gently weeps

I don't know how you were diverted You were perverted too
 I don't know how you were inverted No one alerted you

I look at you all see the love there that's sleeping
 While my guitar gently weeps
 Look at you all... Still my guitar gently weeps

I got something to say that might cause you pain,

If I catch you talking to that boy again

I'm gonna let you down, and leave you flat

Because I told you before, oh you can't do that

G7

Well it's the second time I caught you talking to him,

Do I have to tell you one more time it's a sin?

I think I'll let you down, and leave you flat

Because I told you before, oh, you can't do that

Everybody's gree--en, 'cause I'm the one who won your love,

But if they'd see---en, you talking that way, they'd laugh in my face

So please listen to me if you wanna stay mine,

I can't help my feelings I go outta my mind

I'm gonna let you down, and leave you flat

Because I told you before, oh you can't do that

Everybody's gree--en, 'cause I'm the one who won your love,

Groovy Kind Of Love - The Mindbenders

Intro: G D G D

When I'm feeling blue all I have to do
 Is take a look at you then I'm not so blue
 When you're close to me I can feel your heartbeat

 Wouldn't you agree baby you and me got a groovy kind of love?

Anytime you want to you can turn me into
 Anything you want to anytime at all
 When I kiss your lips oooh I start to shiver
 Can't control the quivering inside
 Wouldn't you agree baby you and me got a groovy kind of love?

When I'm feeling blue all I have to do

 When I'm in your arms nothing seems to matter
 My whole world could shatter I don't care
 Wouldn't you agree baby you and me got a groovy kind of love?

Intro: E D A E [x2]

Please allow me to introduce myself, I'm a man of wealth and taste
 I've been around for long, long years I've stolen many a man's soul and faith
 I was around when Jesus Christ had his moments of doubt and pain
 I made damn sure that Pilate washed his hands and sealed his fate

Chorus:

B **E**
 Pleased to meet you, hope you guess my name
B **E**
 But what's puzzling you, is the nature of my game

I stuck around St. Petersburg when I saw it was time for a change
 I killed the Tzar and his ministers, Anastasia screamed in vain
 I rode a tank, held a general's rank, when the blitzkrieg raged and the bodies stank

Chorus

I watched with glee while your kings and queens,
 Fought for ten decades for the gods they made
 I shouted out Who killed the Kennedys?, when after all it was you and me
 So let me please introduce myself, I am a man of wealth and taste
 And I lay traps for troubadours, who get killed before they reach Bombay

Chorus

Just as every cop is criminal, and all the sinners, Saints
 As heads is tails, just call me Lucifer, cause I'm in need of some restraint
 So if you meet me, have some courtesy, have some sympathy and some taste
 Use all your well-learned politesse, or I'll lay your soul to waste

 That you still want me well, that's as may be
 But you gotta stand trial because all the while

I can see for miles and miles I can see for miles and miles
 I can see for miles and miles and miles and miles and miles oh yeah

 I know that you have 'cause there's magic in my eyes

The Kids Are Alright - The Who

Intro: D (Ring Out)

I don't mind other guys dancing with my girl
 That's fine. I know them all pretty well
 But I know sometimes I must get out in the light
 Better leave her behind where the kids are alright, the kids are alright

Sometimes I feel I gotta get away
 Bells chime, I know I gotta get away
 And I know if I don't, I'll go out of my mind
 Better leave her behind where the kids are alright, the kids are alright

Bridge:

I know if I'd go, things'd be a lot better for her
 I had things planned, but her folks wouldn't let her

I don't mind other guys dancing with my girl

 You found out you didn't know everything there is to know.

 Take my advice and you'll find out that being,
 Just another girl won't cause you misery.

 I'm ready to go anywhere, I'm ready for to fade
 Into my onw parade cast your dancing spell my way, I promise to go under it

Chorus

Though you might hear laughin' spinnin' swingin' madly across the sun
 It's not aimed at anyone, it's just escapin' on the run
 And but for the sky there are no fences facin'
 And if you hear vague traces of skippin' reels of rhyme
 To your tambourine in time, it's just a ragged clown behind
 I wouldn't pay it any mind, it's just a shadow you're seein' that he's chasing

Chorus

Then take me dissapearin' through the smoke rings of my mind
 Down the foggy ruins of time, far past the frozen leaves
 The haunted, frightended trees out to the windy beach
 Far from the twisted reach of crazy sorrow
 Yes, to dance beneath the diamond sky with one hand wavin' free
 Silhouetted by the sea, circled by the circus sands
 With all memory and fate drive deep beneath the waves
 Let me forget about today until tomorrow

Just My Imagination - The Temptations

Intro: C F [x2] C F C F
 Ooo ooo ooo

C F C F
 Each day through my window I watch her as she passes by
 C F C F
 I say to myself, You're such a lucky guy
 C F C F
 To have a girl like her, is truly a dream come true
 C F C F
 Out of all of the fellas in the world, she belongs to you,

 C F C F

 In a cozy, little home out in the country, with two children, maybe three
 I tell you, I can visualize it all
 This couldn't be a dream for too real it all seems

Chorus:

But it was just my imagination (once again), running away with me
 (telling me) It was just my imagination, running away with me

Every night, on my knees I pray, Dear Lord, hear my plea
 don't ever let another take her love from me or I will surely die
 Ooh, her love is heavenly, when her arms enfold me,
 I hear a tender rhapsody, but in reality, she doesn't even know me

Chorus:

It was just my imagination (once again), running away with me, oh
 (telling me) It was just my imagination, running away with me

(I never met her, but I can't forget her.)

You Can't Hurry Love - The Supremes

I need love, love, to ease my mind, I need to find, find, some-one to call mine, but
 mama said, you can't hurry love, no, you just have to wait

She said, love don't come easy, it's a game of give and take

You can't hurry love, no, you just have to wait,
 you got to trust, give it time, no matter how long it takes

But how many heartaches must I stand, before I find a love to let me live again

Right now the only thing that keeps me hangin' on,
 when I feel my strength, yeah, it's almost gone, I remember, mama said,

You can't hurry love, no, you just have to wait, she said, love don't come easy,
 It's a game of give and take, how long must I wait, how much more can I take,
 before loneliness will cause my heart, heart to break?

No, I can't bear to live my life alone, I grow impatient for a love to call my own
 But when I feel that I, I can't go on, these precious words keep me hanging on
 I remember, (mama said)

You can't hurry love, no, you just have to wait, she said, love don't come easy,
 It's a game of give and take, you can't hurry love, no, you just have to wait
 She said trust, give it time, no matter how long it takes

No, love, love, don't come ea-sy, but I keep on waiting, anticipating
 for that soft voice, to talk to me at night, for some tender arms, to hold me tight
 I keep waiting, I keep on wait-ing, but it ain't easy, it ain't easy, but mama said

You can't hurry love, no, you just have to wait
 She said trust, give it time, no matter how long it takes
 You can't hurry love, no, you just have to wait
 She said, love don't come easy, it's a game of give and take

This, is our fork in the road, love's last episode, there's nowhere to go, oh no,
 You made your choice, now it's up to me, To bow out gracefully,
 Though you hold the key, but baby

Andy got scared and he left the bar walking on home cause he didn't live far
You see, Andy didn't have many friends and he just lost him one
Brother thought his wife must've left town so he went home and finally found
the only thing Daddy left him and that was a gun

He went off to Andy's house slipping through the woods as quiet as a mouse
Come upon some tracks too small for Andy to make

He looked through the screen at the back porch door he saw Andy lying on the floor
In a puddle of blood, and he started to shake

Chorus:

The Georgia Patrol was making their rounds so he fired a shot just to flag them down
A big bellied sheriff grabbed his gun and said, Why'd you do it?

They hung my brother before I could say the tracks he saw while on this way
to Andy's house and back that night were mine

And his cheatin' wife had never left town that's one body that'll never be found
You see, little sister don't miss when she aims her gun

Chorus

That's the night that the lights went out in Georgia
That's the night that they hung an innocent man
Don't trust your soul to no backwoods Southern lawyer
Cause the judge in the town's got blood stains on his hands.

Eb Dm7 Gm Eb Dm7 Gm
 All a-round in my home town, they're tryin' to track me down
Eb Dm7 Gm Eb Dm7 Gm
 They say they want to bring me in guilty, for the killing of a depu-ty,
Eb Dm7 Gm
 For the life of a dep-uty, But I say

Chorus:

I shot the sheriff, but I swear it was in self-defence, I say, I shot the sheriff, oh
 Lord, and they say it is a capital offence, Yeah

Sheriff John Brown always hated me, for what, I don't know, every time I plant a seed, he
 said kill it be-fore it grow, he said kill them be-fore they grow. And so, and so

Riff 1**Chorus:**

I shot the sheriff, But I swear it was in self-defence, I say
 I shot the sheriff, But I swear it was in self-defence

Freedom came my way one day, and I started, out of town, yeah!
 All of a sudden I saw Sheriff John Brown, aiming to shoot me down,
 So I shot, I shot, I shot him down. And I say

Riff 1 (If I am guilty, I will pay)...

Chorus:

I shot the sheriff, But I didn't shoot no deputy, oh no! Oh!
 I shot the sheriff, But I didn't shoot no deputy, Ooh, ooh, oo-oooh

Re-flexes had the better of me, and what is to be must be
 Every day, the bucket a-go a-well, one day the bottom a-go drop out,
 One day the bottom a-go drop out

Riff 1 (I say)**Chorus:**

I-I-I, I shot the sheriff, lord, I didn't shot the depu-ty, no I-I (shot the sheriff),
 But I didn't shoot no deputy, Yeah So, yeah

Natural Mystic - Bob Marley

Intro: (Fade in) Am

Chorus:

There's a natural mystic flowing through the air
 If you listen careful-ly now, you will hear

Things are not the way they used to be, I won't tell no lie,
 One and all have to face reali-ty now

'Tho I've tried to find the answer, to all the questions they ask
 'Tho I know it's im-possible, to go living through the past, don't tell no lie

There's a natural mystic flowing through the air, can't keep them down
 If you listen careful-ly now, you will hear

Where Did I Go Wrong - The UB40

Intro: Em A C Em (Whole Song, Same Chords)

I'm sitting here praying that you weren't just saying
Leaving tomorrow was what you had planned
No point in pretending, I know that it's ending
I just want to know where the ending began

Chorus:

Where did I go wrong to make it like this
No warmth in your body, no touch in your kiss
Holding you now, hurts more than it should
If I let you go, girl, you'll be gone for good

I thought you had saved me, the love that you gave me
The sweetest loving in all of the land
But you've taken my heart, and you've torn it apart
And its crumbled to dust in the palm of your hand

Chorus

There's nothin' worth sayin', I know you're not staying
Might as well face it, it's out of my hand
No point in pretending, I know that it's ending
I just want to know where the ending began

Chorus
