Tell me dear are you lonesome tonight

I wonder if you are lonesome tonight, you know someone said  
That the world is a stage and you must play a part  
Fate had me playing in love you as my sweet heart  
Act one was when I met you, I loved you at first glance  
You read your line so cleverly and never missed a 'Q'  
Then came act two, you seemed to change and you acted  
Strange and why I'll never know honey,  
You're lying when you said you loved me  
And I had no cause to doubt you, but I'd rather go on hearing your lies,  
Than go on living without you  
Now the stage is bare and I'm standing there, with emptiness all around  
And if you won't come back to me then make them bring the curtain down

Is your heart filled with pain, shall I come back again?

## Crying In The Chapel - Elvis Presley

**C** **F** **C**  
 You saw me crying in the chapel, the tears I shed were tears of joy  
**D7** **G7** **C** **F** **C**  
 I know the meaning of contentment, now I am happy with the Lord

Just a plain and simple chapel, where humble people go to pray  
 I pray the Lord that I'll grow stronger, as I live from day to day

### Bridge:

**F** **C**  
 I've searched and I've searched but I couldn't find  
**D7** **G7**  
 No way on earth to gain peace of mind

Now I'm happy in the chapel, where people are of one accord  
 We gather in the chapel, just to sing and praise the Lord

You'll search and you'll search, but you'll never find  
 no way on earth to gain peace of mind

Take your troubles to the chapel, get down on your knees and pray  
 Your burdens will be lighter, and you'll surely find the way

## The Last Farewell - Roger Whittaker

**Intro: G**

G C G C G C C7 F  
 There's a ship lies rigged and ready in the harbor, tomorrow for ol' England she sails  
 Dm F Dm F Dm F G  
 Far away from your land of endless sunshine, to my land full of rainy skies and gales  
 C G C G  
 And I shall be on board that ship tomorrow  
 C C7 F  
 Though my heart is full of tears at this farewell

**Chorus:**

Dm G C Am Dm G7  
 For you are beautiful and I have loved you dearly  
 Dm G7 C  
 More dearly than the spoken word can tell  
 Dm G C Am Dm G7  
 for you are beautiful and I have loved you dearly  
 Dm G7 C  
 More dearly than the spoken word can tell

I heard there's a wicked war a blazing and the taste of war I know so very well

Even now I see that foreign flag a raising their guns on fire as we sailed into hell

I have no fear of death it brings no sorrow but how bitter will be this last farewell

**Chorus**

Though death and darkness gather all about me and my ship be torn apart upon the sea

I shall smell again the fragrance of these islands

In the heaving waves that brought me once to thee

And should I return safe home again to England

I shall watch the English mist roll through the dale

**Chorus**

<b>Em</b>	<b>D6/9</b>	<b>Em</b>	<b>D6/9</b>
On the first part of the journey, I was lookin at all the life			
There were plants and birds and rocks and things, there were sand and hills and rings			

The first thing I met was a fly with a buzz and the sky with no clouds  
the heat was hot and the ground was dry, but the air was full of sound

### Chorus

<b>Em9</b>	<b>Dmaj9</b>
I've been through the desert on a horse with no name	
It felt good to be out of the rain	
In the desert you can remember your name	
'Cause there ain't no one for to give you no pain	
La la la la lalala la la la la la	

After two days in the desert sun, my skin began to turn red  
After three days in the desert fun, I was looking at a river bed  
And the story it told of a river that flowed, made me sad to think it was dead

### Chorus

After nine days I let the horse run free, 'cause the desert had turned to sea  
there were plants and birds and rocks and things, there were sand and hills and rings  
The ocean is a desert with it's life underground, and the perfect disguise above  
Under the cities lies a heart made of ground, but the humans will give no love

## City Of New Orleans - Arlo Guthrie

**G** **D** **G** **Em** **C** **G**  
 Riding on the City of New Orleans, Illinois Central Monday morning rail  
**G** **D** **G** **Em** **D** **G**  
 Fifteen cars and fifteen restless riders, three conductors and twenty-five sacks of mail

**Em** **Bm**  
 All along the south bound odyssey, the train pulls out of Kenkakee  
**D** **A**  
 Rolls along past houses farms and fields  
**Em** **Bm**  
 Passing trains that have no name, freight yards of old black men  
**D** **D7** **G**  
 And graveyards of rusted automobiles

### Chorus:

**C** **D7** **G** **Em** **C** **G** **D7** **D9**  
 Good morning America, how are you? Say, don't you know me, I'm your native son  
**G** **D** **Em** **Em7** **A7**  
 I'm the train they call the City of New Orleans  
**Bb** **C** **D** **D9** **G**  
 I'll be gone five hundred miles when the day is done

Dealing card games with the old men in the club car, penny a point ain't noone keeping  
 score, pass the paper bag but hold the bottle, Feel the wheels rumbling 'neath the floor

And the sons of Pullman porters and the sons of engineers, ride their father's magic  
 carpets made of steel, mother with her babes asleep rocking to the gentle beat, and the  
 rhythm of the rails is all they feel

### Chorus (As Above)

Nighttime on the City of New Orleans, changing cars in Memphis Tennessee, half way home  
 we'll be there by morning, through the Mississippi darkness rolling down to the sea

But all the towns and people seem to fade into a dark dream, and the steel rail still  
 ain't heard the news, the conductor sings his songs again, the passagers will please  
 refrain, this train got the disappearing railroad blues

### Chorus:

Good night America, How are you?  
 Say, don't you know me, I'm your native son.  
 I'm the train they call the City of New Orleans  
 I'll be gone five hundred miles when the day is done

 I could fly for you, and lover I want to try for you 'cause

 And in the morning when I rise, you bring a tear of joy to my eyes  
**Bm E A**  
 And tell me everything is gonna be all right

Seems as though a month ago I was down and tied  
 Never got high, oh I was a sorry guy  
 Now a smile, a face, a girl that shares my name  
 Now I'm through with the game, this boy will never be the same

### Chorus

Pisces Virgo rising is a very good sign  
 Strong and kind, and the little boy is mine  
 Now I see a family where there once was none  
 Now we've just begun, yeah, we're gonna fly to the sun

### Chorus

Love the girl who holds the world in a paper cup  
 Drink it up, love her and she'll bring you luck  
 And if you find she helps your mind, better take her home  
 Don't you live alone, try to learn what lover's own

## Dreams - Fleetwood Mac

**Intro: F G [x4]**

**F G F G**  
 Now here you go again, you say you want your freedom  
**F G F**  
 Well, who am I to keep you down?  
**G F G**  
 It's only right that you should play the way you feel it  
**F G F**  
 but listen carefully to the sound

Of your loneliness like a heartbeat drives you mad

In the stillness of remembering what you had,  
**F G F G F**  
 And what you lost, and what you had, and what you lost

**Chorus:**

**FM7 G6 F G FM7 G6 F G**  
 Oh, thunder only happens when it's raining, players only love you when they're playing  
**FM7 G6 F G**  
 Say, women they will come and they will go  
**FM7 G6 F G F**  
 When the rain washes you clean, you'll know, you'll know

**Inst: F G [x4]**

Now here I go again, I see the crystal visions, I keep my visions to myself  
 It's only me who wants to wrap around your dreams and  
 have you any dreams you'd like to sell?

Dreams of loneliness like a heartbeat drives you mad  
 In the stillness of remembering what you had, (lonely)  
 and what you lost, and what you had, and what you lost

**Intro:** Am Bmsus4 Am7 Bm7 [x2]

Well it's a marvelous night for a moondance with the stars up a-bove in your eyes  
 A fantabulous night to make romance 'neath the color of October skies

All the leaves on the trees are falling To the sounds of the breezes that blow  
 And I'm trying to place to the calling Of your heartstrings that play soft and low

You know the night's magic seems to Whisper and hush

You know the soft moonlight seems to shine In your blush

So---ft moonlight seems to shine In your blush

**Chorus:**

Can I just have one more moon-dance with you, my love  
 Can I just make some more ro-mance with you, my love

Well I want to make love to you tonight I can't wait til the morning has come  
 And I know now the time is just right and straight into my arms you will run

When you come my heart will be waiting to make sure that you're never alone  
 There and then all my dreams will come true dear there and then  
 I will make you my own

And everytime I touch you, you just tremble inside then  
 I know how much you want me, that you can't hide

## Better Off Dead - Elton John

 Through the grease streaked windows of an all night cafe  
 Am F C  
 We watched the arrested get taken away  
 F/C C G F  
 And that cigarette haze has ecology heat  
 F/C C G Am  
 As the whores and the drunks filed in from the street

E Am Am7/E  
 'Cause the steams in the boiler, the coals in the fire

 If you ask how I am then I'll just say inspired

**F C/G**

It's hard to write a song with bitter fingers

**G C/G**

So much to prove, so few to tell you why

**F C/G**

Those old die-hards in Denmark Street start laughing

**G**

At the keyboard player's hollow haunted eyes

It seems to me a change is really needed

I'm sick of tra-la-las and la-de-das

No more long days hacking hunks of garbage

Bitter fingers never swung on swinging stars, swinging stars

I like the warm blue flame, the hazy heat it brings

It loosens up the muscles and forces you to sing

You know it's just another hit and run from the tin pan alley twins

And there's a chance that one day you might write a standard lads

So churn them out quick and fast and we'll still pat your backs

'Cause we need what we can get to launch another dozen acts

Are you working

Let the ladies and the gentlemen be as rude as they like

## Teacher I Need You - Elton John

**Intro: F Gm7 Bb F**

**F Gm F Bb**  
 I was sitting in the classroom, trying to look intelligent  
**F C F C F C F C**  
 In case the teacher looked at me  
**Am Dm Bb F Gm**  
 She was long and she was lean, she's a middle-aged dream  
**F Bb F Gm C**  
 And that lady means the whole world to me

It's a natural achievement, conquering my homework  
 With her image pounding in my brain  
 She's an inspiration, for my graduation  
**Bb C F Bb**  
 And she helps to keep the classroom sane

**(tacet) Dm C Bb Dm C**  
 Oh teacher I need you like a little child  
**Am Dm Bb C**  
 You got something in you to drive a schoolboy wild  
**C Dm C Bb Dm C**  
 You give me education in the lovesick blues  
**Am Dm**  
 Help me get straight come out and say  
**Bb6 F Eb F Eb**  
 Teacher I, teacher I, teacher I, Teacher I need you

I have to write a letter, tell about my feelings  
 Just to let her know the scene  
 Focus my attention, on some further education  
 In connection with the birdies and the bees

So I'm sitting in the classroom, I'm looking like a zombie  
 I'm waiting for the bell to ring  
 I've got John Wayne stances, I've got Erroll Flynn advances  
 And it doesn't mean a doggone thing

## The Ballad Of Danny Bailey - Elton John

Intro: Notes - [ D-B-D-B----- ] [x2]

**Bm** **C**  
 Some punk with a shotgun killed, young Danny Bailey,  
**Bm** **C**  
 In cold blood, in the lobby of a downtown motel  
**Bm** **C**  
 Killed him in anger, a force he couldn't handle  
**Em7** **FM7**  
 Helped pull the trigger that cut short his life  
**Am** **BbM7**  
 And there's not many knew him the way that we did.  
**Am** **BbM7**  
 Sure enough he was a wild one, but then aren't most hungry kids?  
**Am** **G** **F** **Em**  
 Oh - ohhh...

**F** **G** **Bm** **Em** **G** **A** **D**

**Bm** **C**  
 We're running short of heroes, back up here in the hills  
**Bm** **C**  
 Without Danny Bailey we're gonna have to, break up our stills

 So mark his grave well, 'cause Kentucky loved him

 Born and raised a proper, I guess, life just bugged him

Look in the mirror and stare at my-self  
And wonder if that's really me on the shelf

Take me down alleys where the murders are done  
In a vast high powered rocket to the core of the sun  
Want to read books in the studies of men  
Born on the breeze and die on the wind

## Year Of The Cat - Al Stewart

**Intro Riff:** CM7 D Em [x3] Am7 D7

On a morning from a Bogart movie in a country where they turned back time  
 You go strolling through the crowd like Peter Lorre contemplating a crime  
 She comes out of the sun in a silk dress running like a water color in the rain  
 Don't bother asking for explanations. She'll just tell you that she came  
 In the year of the cat

She doesn't give you time for questions as she locks up you arm in hers  
 And you follow 'til your sense of which direction completely disappears  
 By the blue-tiled walls near the market stalls  
 There's a hidden door she leads you to  
 These days, she says, I feel my life just like a river running through  
 The year of the cat

**Bridge:** [lead-in: D instead of D7]

Well she looks at you so coolly and her eyes shine like the moon in the sea.  
 She comes in incense and pathchouli so you take her to find what's waiting inside  
 the Year of the Cat

Well morning comes and you're still with her and the bus and the tourists are gone  
 And you've thrown away your choice and lost your ticket so you have to stay on  
 But the drumbeat strains of the night remain in the rhythm of the newborn day  
 You know sometime you're bound to leave her but for now you're gonna stay  
 in the Year of the Cat

Now Paul at the bar hes a freind of mine, he gets me my drinks for free, and hes quick  
With a joke and a light of your smoke but theres some place that he'd rather be  
He says bill I beilive this is killing me as the smile ran away from his face  
Well I'm sure that I could be a movie star if I could get out of this place

Now Paul is a real estate novelist who never had time for a wife and hes talking with  
Davy whos still in the navy and probably will be for life, and the waitress is  
Practicing politics As the businessmen slowly get stoned, yes they're sharing a drink  
They call loneliness but its better than drinking alone

It's a pretty good crowd for a saturday And the manager gives me a smile, cause he  
Knows that its me they've been coming to see To forget about life for a while  
And the piano sounds like a carnival and the microphone smells like a beer  
And they sit at the bar and put bread in my jar and say man what are you doing here?

 But as if to knock me down, rea--lity came around

Alone again, naturally

Now looking back over the years, and whatever else that appears  
 I remember I cried when my father died, never wishing to hide the tears  
 And at sixty five years old, my mother, God rest her soul,  
 Couldn't understand, why the only man, she had ever loved had been taken  
 Leaving her to start with a heart so badly bro---ken  
 Despite encouragement from me, no words were ever spoken  
 And when she passed away, I cried and cried all day  
 Alone again, naturally, alone again, naturally

I'm hoping it's going to come true, but there's not a lot I can do

Could we have kippers for breakfast Mummy dear, Mummy dear

They got to have 'em in Texas 'Cause everyone's a millionaire

I'm a winner, I'm a sinner Do you want my autograph, I'm a loser, what a joker

I'm playing my jokes upon you while there's nothing better to do, hey

## The Logical Song - Supertramp

**Cm** **G#M7** **Gm7**  
 When I was young, it seemed that life was so wonderful,  
**A#** **G#** **Adim**  
 a miracle, oh it was beautiful, magical  
**Cm** **G#M7** **Gm7**  
 And all the birds in the trees, well they'd be singing so happily,  
**A#** **G#** **Adim**  
 joyfully, playfully watching me

But then they send me away to teach me how to be sensible,  
 Logical, responsible, practical  
 And they showed me a world where I could be so dependable,  
 Clinical, intellectual, cynical

**D#** **Am7b5/D#** **G#/D#**  
 There are times when all the world's asleep, the questions run too deep  
**C#** **Fm/C** **A#m** **Fm/G#**  
 For such a simple man

**Eb** **Am7b5/G#** **G#/D#**  
 Won't you please, please tell me what we've learned, I know it sounds absurd  
**C#** **Fm/C** **A#m** **Fm/G#**  
 but please tell me who I am

Now watch what you say or they'll be calling you a radical,  
 Liberal, fanatical, criminal.  
 Won't you sign up your name, we'd like to feel you're  
 Acceptable, respectable, presentable, a vegetable!

At night, when all the world's asleep, the questions run so deep  
 For such a simple man  
 Won't you please, please tell me what we've learned, I know it sounds absurd  
 But please tell me who I am

## Under The Boardwalk - The Drifters

Oh when the sun beats down and melts the tar upon the roof  
 And your shoes get so hot you wish your tired feet were fire-proof  
 Under the boardwalk, down by the sea,  
 On a blanket with my baby is where I'll be

### Chorus:

Under the boardwalk, out of the sun  
 Under the boardwalk, we'll be having some fun  
 Under the boardwalk, people walking above  
 Under the boardwalk, we'll be falling love  
 Under the board-walk, board-walk

In the park we hear happy sounds of a carousel  
 You can almost taste the hotdogs and french fries they sell  
 Under the boardwalk, down by the sea,  
 on a blanket with my baby is where I'll be

**G** **Em** **C** **D** **G**  
 when this old world starts getting me down and people are just too much for me to face  
**G** **Em** **C** **D** **G**  
 I'll climb way up to the top of the stairs and all my cares just drift right into space

**C** **G** **Em** **C** **D**  
 On the roof it's peaceful as can be and there the world below don't bother me

**G** **Em** **C** **D** **G**

**Em** **C** **D** **G**  
 I'll get away from the hustling crowd and all that rat-race noise down in the street

**C** **G** **Em** **C** **D**  
 On the roof that's the only place I know where you just have to wish to make it so

**C** **G** **Em** **C** **D**  
 At night the stars put on a show for free and darling you can share it all with me  
**D** **G** **Em**  
 I keep on telling you that right smack dab in the middle of town  
**C** **D** **G**  
 I've found a paradise that's trouble proof  
**G** **Em**  
 And if this old world starts getting you down  
**C** **D** **G** **Em**  
 There's room enough for two up on the roof

Up on the roof, **C** **D** **G** **Em** **C** **D** **G**  
 up on the roof, up on the roof

## You've Got A Friend - James Taylor Capo: II

When you're down and troubled and you need a helping hand,

 To brighten up even your darkest night

You just call out my name, and you know wherever I am,

 I'll come running to see you again  
**G** **GM7/F#** **C/E** **G6/D** **G7/D**  
 Winter, spring, summer, or fall, all you got to do is call

 And I'll be there, yes I will, You've got a friend

If the sky above you should turn dark and full of clouds,  
 And that old north wind should begin to blow,  
 Keep your head together and call my name out loud  
 Soon I'll be knocking upon your door

Now ain't it good to know that you've got a friend when

 People can be so cold, they'll hurt you and desert you  
**Em7** **A7** **A9** **Am7/D** **D**

You just call out my name, and you know wherever I am,

 And I'll be there, yes I will

You've got a friend, you've got a friend  
 Ain't it good to know you've got a friend

 Nobody does it quite the way you do, why'd you have to be so good?

The way that you hold me, whenever you hold me, there's some kind of magic inside you  
 That keeps me from running, but just keep it coming  
 How'd you learn to do the things you do?

And nobody does it better, makes me feel sad for the rest

## At Seventeen - Janis Ian

Intro: Cadd9 C Cmaj7 C6 C

Cadd9 C Cmaj7 C6 C D7sus4 Dm7 A/D Dm7  
 I learned the truth at seven-teen, that love was meant for beauty queens  
 G7/B Cadd9 C Cmaj7 C6 C  
 And high school girls with clear skinned smiles, who married young and then re-tired  
 The Valen-tines I never knew, the Friday nights cha-rades of youth  
 Were spent on one more beautiful, at seven-teen, I learned the truth

### Chorus:

Eb6 Dm7 G7/B  
 And those of us with ravaged faces, lacking in the social graces  
 Cm7 Fm7 Cm7 Fm7  
 Desperately re-mained at home, in-venting lovers on the phone  
 Ab G7 Cm7 Fm7  
 Who called and say, come dance with me, and murmured vague obscenities  
 Dm7 G7  
 It isn't all it seems, at seventeen

A brown eyed girl in hand-me-downs, who's name I never could pro-nounce,  
 Said, pity please, the ones who serve, they only get what they de-serve

The rich relationed hometown queen, marries into what she needs  
 A guarantee of company, and haven for the elderly

### Chorus:

Remember those who win the game, lose the love they sought to gain  
 In debentures of quality, and dubious in-tegrity, Their small town eyes will  
 gape at you in dull surprise, when payment due, exceeds accounts received, at seventeen

To those of us who know the pain, of valen -tines that never came  
 And those whose name were never called, when choosing sides at basket-ball

It was long ago and far away, the world was younger than to-day  
 And dreams were all they gave for free, to ugly duckling girls like me

### Chorus:

We all play the game and when we dare, to cheat ourselves at solitaire  
 In-venting lovers on the phone, re-penting other lives unknown  
 That call and say; "come dance with me", and murmur vague ob-scenities,  
 At ugly girls like me; at seventeen

 But I knew I was out of luck the day the music died, I started singin'

### Chorus

Now for ten years we've been on our own,  
 and moss grows fat on a rolling stone but that's not how it used to be

When the jester sang for the king and queen, in a coat he borrowed from James Dean  
 in a voice that came from you and me

And while the king was looking down, the jester stole his thorny crown  
 The courtroom was adjourned, no verdict was returned

And while Lenin read a book on Marx, the quartet practiced in the park  
 And we sang dirges in the dark the day the music died, we were singin'

Helter skelter in a summer swelter the birds flew off with a fallout shelter,  
 eight miles high and fallin' fast

It landed foul on the grass the players tried for a forward pass,  
 with the jester on the sidelines in a cast

Now at halftime there was sweet perfume, while sergeants played a marching  
 tune We all got up to dance, but we never got the chance

'Cuz the players tried to take the field, the marching band refused to yield  
 Do you recall what was the feel the day the music died, we started singin'

And there we were all in one place,  
 a generation lost in space, with no time left to start again

So come on Jack be nimble,  
 Jack be quick, Jack Flash sat on a candle stick, 'cuz fire is the devil's  
 only friend

And as I watched him on the stage, my hands were clenched in fists of rage  
 No angel born in Hell could bread that Satan's spell

And as the flames climbed high into the night to light the sacrificial rite  
 I saw Satan laughing with delight the day the music died, he was singin'

**G D Em Am C**  
 I met a girl who sang the blues and I asked her for some happy news  
**Em D G D Em Am**  
 But she just smiled and turned away, I went down to the sacred store where I'd heard the  
**C Em C D Em**  
 music years before, but the man there said the music wouldn't play, but in the streets  
**Am Em Am C G Am**  
 the children screamed, the lovers cried and the poets dreamed, but not a word was spoken,

**Vincent - Don McLean**

Starry, starry night paint your pallette blue and grey  
 Look out on a summers day with eyes tha know the darkness in my soul  
 Shadows on hills sketch the tress and daffodils  
 Catch the breeze and the winter chill In colors on the snowy linen land

Chorus:

And now I understand what you tried to say to me  
 How you suffered for your sanity How you tried to set them free  
 They would not listen they did not know how perhaps they'll listen now

Starry, starry night flaming flowers that brightly blaze  
 Swirling clouds in violet haze reflect in Vincent's eyes of china blue  
 Colors changing hue, morning fields of amber grain  
 Weathered faces lined in pain are soothed beneath the artists loving hand

Chorus:

{listen now} For the could not love you but still your love was true  
 And when no hope was left in sight on that starry, starry night  
 You took you life as lovers often do But I could of told you Vincent  
 This world was never meant for one as beautiful as you

Starry, starry night portraits hung in empty halls  
 frameless heads on nameless walls with eyes that watch the world and can't forget  
 Like the strangers that you've met, the ragged men in ragged clothes  
 The silver thorn, the bloody rose, lie crushed and broken on the virgin snow

Chorus:

And now I understand what you tried to say to me  
 How you suffered for your sanity how you tried to set them free  
 They would not listen they're not listening still perhaps they never will

## If You Could Read My Mind - Gordon Lightfoot

**G** **F**  
 If you could read my mind love what a tale my thoughts could tell  
**G** **F**  
 Just like an old time movie 'bout a ghost from a wishin' well  
**G** **C** **D** **Em**  
 In a castle dark or a fortress strong with chains upon my feet  
**C** **G** **C** **G/B**  
 You know that ghost is me and I will never be set free  
**Am7** **D** **G**  
 As long as I'm a ghost that you can't see

If I could read your mind love what a tale your thoughts could tell  
 Just like a paperback novel the kind that drugstores sell  
 When you reach the part where the heartaches come the hero would be me  
 But heroes often fail and you won't read that book again  
 Because the ending's just too hard to take

**Inst: G F G F**

**G** **C** **D** **Em**  
 I'd walk away like a movie star who gets burned in a three way script  
**C** **G** **C** **G/B** **Am7** **D**  
 Enter number two, a movie queen to play the scene of bringing all the good things  
**G** **C** **G/B** **C** **G/B**

**Am7** **D** **C** **G/B**  
 And I've got to say that I just don't get it, I don't know where we went wrong  
**Am7** **D** **G**  
 But the feelings gone and I just can't get it back

If you could read my mind love what a tale my thoughts could tell, just like an  
 old time movie 'bout a ghost from a wishin' well, in a castle dark or a fortress  
 strong with chains upon my feet, but stories always end and if you read between  
 the lines, you'll know that I'm just tryin' to understand the feelin's that you lack  
 I never thought I could feel this way, and I've got to say that I just don't get it  
 I don't know where we went wrong, but the feelin's gone and I just can't get it back

I can picture every move that a man could make

Getting lost in her lovin' is the first mistake

Sundown, you'd better take care

If I find you've been creeping 'round my back stairs

Sometimes I think it's a sin

When I feel like I'm winning when I'm losing again

**Guitar Solo**

I can see her looking fast in her faded jeans

She's a hard lovin' woman got me feelin' mean

Sometimes I think it's a shame

When I get feeling better when I'm feelin' no pain

## Fountain Of Sorrow - Jackson Browne

Intro: |Dm |Bb |Bb |F |Dm |C |Bb |F |

Dm C Bb F  
Looking through some photographs I found inside a drawer

Dm C Bb F  
I was taken by a photograph of you

There were one or two I know that you would have liked a little more  
But they didn't show your spirit quite as true

### Bridge:

Am F Am  
You were turning 'round to see who was behind you and I took your childish laughter by

C C/Bb Bb/F Dm  
Surprise, and at the moment that my camera happened to find you

Gm Bb F  
There was just a trace of sorrow in your eyes

Now the things that I remember seem so distant and so small, though it hasn't really been  
that long a time, what I was seeing wasn't what was happening at all  
Although for a while, our path did seem to climb

### Bridge:

But when you see through love's illusions, there lies the danger and your perfect lover  
just looks like a perfect fool, so you go running off in search of a perfect stranger

Gm Bb F C/E Dm C/E Dm C  
While the loneliness seems to spring from your life like a fountain from a pool

### Chorus:

Bb F/C A/C# Dm Bb F/C A/C#  
Fountain of sorrow, fountain of light, you've known that hollow sound of your own steps

Dm Bb F/C A/C# Dm  
In flight, you've had to hide sometimes, but now you're all right

F/C Bb/C  
And it's good to see your smiling face tonight

Now for you and me it may not be that hard to reach our dreams, but that magic feeling  
never seems to last and while the future's there for anyone to change, still you know it  
seems, it would be easier sometimes to change the past

### Bridge:

I'm just one or two years and a couple of changes behind you, in my lessons at love's  
pain and heartache school where if you feel too free and you need something to remind you

There's this loneliness springing up from your life, like a fountain from a pool

## Turn The Page - Bob Seger

**Em**

On a long and lonesome highway east of Omaha

**D**

You can listen to the engine, moanin out it's one note song

**A**

**Em**

You can think about the woman, or the girl you knew the night before

But your thoughts will soon be wandering the way they always do

When your riding sixteen hours and there's nothing much to do

And you don't feel much like ridin, you just wish the trip was through

**Chorus:**

**D**

**Em**

**D**

**Em**

Say here I am, on the road again, there I am, up on the stage

**D**

**A**

**C**

**D**

**Em**

Here I go, playing the star again, there I go, turn the page

You walk into a restaraunt, strung out from the road

And you feel the eyes opon you, as your shaking off the cold

You pretend it doesn't bother you, but you just want to explode

Most times you can't hear um' talk, other times you can

All the same 'ol cliché's is that a woman or a man

And you always seem outnumbered, you dare not make a stand

**Chorus**

Out there in the spotlight, you're a million miles away

Every ounce of energy, you try to give away

As the sweat pours out your body like the music that you play

Later in that evening, as you lie awake in bed

With the echos from the amplifiers, ringin' in your head

You smoke the day's last cigarette, remembering what she said

**Chorus**

A sweet love song, a melody, that I still can recall  
 Two young hearts filled with dreams, to walk away with it all

 Two young hearts filled with fire, lost in never never land.

## Fernando - ABBA

Intro: **A**

**A** Can you hear the drums Fernando? I remember long ago another starry night like this **Gbm**  
 In the firelight **Bm** Fernando, you were humming to yourself and softly strumming your guitar **E**  
 I could hear the distant drums and sounds of bugle calls were coming from a-far **A**

Chorus:

There was something in the air that night, the stars were bright Fernando **E7** **A**  
 They were shining there for you and me, for liberty Fernando **E7** **A**  
 Though we never thought that we could lose, there's no regret **Gdim** **Gb** **B7**  
 If I had to do the same again, I would my friend Fernando **E7** **A**

They were closer now Fernando, every hour every minute seemed to last eternally  
 I was so afraid Fernando, we were young and full of life and none of us prepared to die  
 And I'm not ashamed to say the roar of guns and cannons, almost made me cry

Chorus

Now were old and grey Fernando, and since many years I haven't seen a rifle in your hand  
 Can you hear the drums Fernando? Do you still recall the night we crossed the Rio Grande?  
 I can see it in your eyes how proud you were to fight for freedom in this land

## The Winner Takes It All - ABBA

I don't wanna talk about the things we've gone through  
 Though it's hurting me now it's his-to-ry  
 I've played all my cards and that's what you've done too  
 Nothing more to say no more ace to play

The winner takes it all the loser standing small  
 Be-side the vic-to-ry that's her des-ti-ny

I was in your arms thinking I belonged there, I figured it made sense building me a fence  
 Building me a home thinking I'd be strong there, but I was a fool playing by the rules

The gods may throw a dice their minds as cold as ice, and someone way down here loses  
 someone dear

The winner takes it all the loser has to fall, it's simple and it's plain why should I  
 complain

But tell me does she kiss like I used to kiss you? Does it feel the same when she calls  
 your name? Somewhere deep inside you must know I miss you but what can I say rules must  
 be obeyed

The judges will decide the likes of me abide spectators of the show always staying low  
 The game is on again a lover or a friend a big thing or a small the winner takes it all

I don't wanna talk if it makes you feel sad and I understand you've come to shake my hand  
 I apologize if it makes you feel bad seeing me so tense no self-confidence

But you see the winner takes it all, the winner takes it all...

 Oh Maggie I couldn't have tried any more  
 You led me away from home just to save you from being alone  
 You stole my soul that's a pain I can do without

All I needed was a friend to lend a guiding hand  
 But you turned into a lover and mother what a lover you wore me out  
 All you did was wreck my bed And in the morning kick me in the head  
 Oh Maggie I couldn't have tried any more  
 You led me away from home 'cause you didn't want to be alone  
 You stole my heart I couldn't leave you if I tried

## Green Grass Of Home - Tom Jones

Intro: G D7 Am7 D7 C G Am7 G

G G7 C G  
 The old home town looks the same, as I step down from the train  
 D  
 And there to meet me is my mama and papa,

D7 G G7  
 Down the road I look and there runs Mary,  
 C Ao C Bm Am  
 Hair of gold and lips like cher-ries,  
 G D7 Am7 D7 G C G  
 It's good to touch the green green grass of home

G G7 C Am7  
 Yes they all come to meet me, arms reaching, smiling sweetly  
 G D7 Am7 D7 G C G  
 It's good to touch the green green grass of home

The old house is still standing, though the paint is cracked and dry  
 And there's that old oak tree that I used to play on

Down the lane I walk with my sweet Mary, hair of gold and lips like cherries  
 It's good to touch the green, green grass of home

Yes they all come to meet me, arms reaching, smiling sweetly  
 It's good to touch the green green grass of home

Then I awake and look around me at four grey walls that surround me  
 And then I realize, yes, I was only dreaming

For there's a guard and there's a sad old padre, arm in arm we'll walk at daybreak,  
 then I will touch the green green grass of home

Yes they'll all come to see me in the shade of that old oak tree  
 As they lay me 'neath the green, green grass of home

 I said, "Oh no, William and Mary won't do, now"  
**D** **Am7** **Bm7**  
 Well, I did not think the girl could be so cruel  
**D** **Am7** **Bm7 G**  
 And I'm never going back to my old school

Oleanders growing outside her door, soon they're gonna be in bloom up in Annandale  
 I can't stand her doing what she did before, leaving like a gypsy queen in a fairy tale

Well I hear the whistle but I can't go, I'm gonna take her down to Mexico  
 She said, whoa no, Guadalajara won't do, now, well I did not think the girl could be so cruel and I'm never going back to my old school

California tumbles into the sea, that'll be the day I go back to Annandale  
 Tried to warn you about Chino and Buddy Gee, but I can't seem to get to you through the US mail

Well I hear the whistle but I can't go, I'm gonna take her down to Mexico  
 She said, whoa no, Guadalajara won't do, now, well I did not think the girl could be so cruel and I'm never going back to my old school

Armed and ready you fought love battles in the night  
 But too many opponents made you weary of the fight  
 Blinded by passion, you foolishly let someone in  
 All the warnings went off in your head, still you had to give in

Just when you think you got it down, resistance no where to be found  
 They whisper, promises in the dark

**Bb** **C** **G** But promises, you know what there for  
**F** **G** It sounds so convincing, but you heard it before  
**Bb** **C** **Dm** Cause talk is cheap and you gotta be sure, and so you put up your guard

**Inst:** **Dm Bb A G F [x8] Bb C Dm C**

You desperately search for a way to conquer the fear  
 No line of attack has been planned to fight back the tears  
 Where brave and restless dreams are both won and lost  
 On the edge is where it seems it's well worth the cost

Just when you think you got it down, your heart in pieces on the ground  
 They whisper, promises in the dark

**C** **Em** **C** **G D G D**  
 Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

Your faith was strong, but you needed proof, you saw her bathing on the roof  
 Her beauty and the moonlight overthrew ya, she tied you to a kitchen chair  
 She broke your throne, and she cut your hair, and from your lips she drew the Hallelujah  
 Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

You say I took the name in vain, I don't even know the name  
 But if I did, well really, what's it to ya? There's a blaze of light in every word  
 It doesn't matter which you heard, the holy or the broken Hallelujah  
 Hallelujah, Hallelujah, Hallelujah, Hallelu-u-jah

I did my best, it wasn't much, I couldn't feel, so I tried to touch  
 I've told the truth, I didn't come to fool ya, and even though it all went wrong  
 I'll stand before the Lord of Song, with nothing on my tongue but Hallelujah

## Stardust - Hoagy Carmichael

 And now the purple dusk of twilight time, steals across the meadows of my heart  
**Am** **Cm** **G** **Em** **F#** **F#7** **D** **D7**  
 High up in the sky, the little stars climb, always reminding me, that we're apart

 You wander down the lane, and far away, leaving me a song that will not die

 Love is now the stardust, of yesterday, the music of years gone by

 Sometimes, I wander why I spend, the lonely nights, dreaming of a song

## Danny Boy - Frederick Weatherly

Oh Danny boy the pipes the pipes are calling  
 from glen to glen and down the mountain side  
 The summer's gone and all the roses falling  
 'tis you 'tis you must go and I must bide

But come ye back when summers in the meadow,  
 or when the valley's hushed and white with snow  
 'Tis I'll be there in sunshine or in shadow  
 Oh Danny boy, oh Danny boy I love you so

And when ye come and all the flowers are dying  
 If I am dead, as dead I well may be  
 You'll come and find the place where I am lying  
 and kneel and say an Ave for me

And I shall hear tho' soft you tread above me  
 and all my grave will warmer sweeter be  
 If you will bend and tell me that you love me  
 then I shall sleep in peace until you come to me

 Don't tell me what it's all about 'cause, I've been there and I'm glad I'm out  
**Fm** **Eb7** **Ab**  
 Out of those chains, those chains that bind you, that is why I'm here to remind you

What do you get when you kiss a girl, you get enough germs to catch pneumonia,  
 After you do, she'll never phone you,  
 I'll never fall in love again, I'll never fall in love again

What do you get when you give your heart, you get it all broken up and battered,  
 That's what you'll get a heart that's shattered  
 I'll never fall in love again, I'll never fall in love again

What do you get when you need a girl, you get enough tears to fill an ocean,  
 That's what you get for your devotion  
 I'll never fall in love again, I'll never fall in love again

What do you get when fall in love, you only get lies and pain and sorrow  
 So for at least until tomorrow  
 I'll never fall in love again, I'll never fall in love again  
 Never fall in love again

## Pennies From Heaven - Frank Sinatra

**G Bm A7sus4 A7 C D7**  
 Ev'ry time it rains, it rains pennies from heaven

## My Way - Frank Sinatra

**D** **DM7** **D7** **B7**  
 And now, the end is near, and so I face the final curtain,  
**Em7** **Em7/D** **Em7/Db** **A7** **D**  
 My friend. I'll say it clear, I'll stay my case of which I'm certain.  
**D** **D7** **G** **Gm**  
 I've lived a live that's full. I traveled each and every highway,  
**D** **A** **Asus4** **D#M7/D** **D**  
 And more, much more than this, I did it my way

Regrets, I've had a few, but then again, too few to mention  
 I did what I had to do, and saw it thru without exemption  
 I planned each charted course, Each careful step along the byway,  
 And more, much more than this, I did it my way

**D** **D7**  
 Yes there were times, I'm sure you knew,  
**G** **Gsus4** **G**  
 When I bit off more than I could chew,  
**Em** **A7**  
 But thru it all, when there was doubt,  
**F#** **Bm7**  
 I ate it up, and spit it out  
**Em** **A** **Asus4** **D#M7/D** **D**  
 I faced it all, and I stood tall, and did it my way

I've loved, I've laughed and cried, I've had my fill, my share of losing  
 And now, as tears subside, I find it all so amusing  
 To think I did all that, and may I say, not in a shy way,  
 No, oh no not me, I did it my way

For what is a man, what has he got? If not himself, then he has naught  
 To say the things he truly feels, and not the words of one who kneels  
 The record shows I took the blows, And did it my way

## Viente Anos - Buena Vista Social Club

Intro: Em B7 Em E7 Am Em C B7 Em

Que te importa que te ame, si tu no me quieres ya?  
 El amor que ya ha pasado no se debe recordar

Fui la ilusion de tu vida un dia lejano ya,  
 Hoy represento el pasado, no me puedo conformar  
 Hoy represento al pasado, no me puedo conformar

Si las cosas que uno quiere se pudieran alcanzar,  
 tu me quisieras lo mismo que veinte anos atras

Con que tristeza miramos un amor que se nos va  
 Es un pedazo del alma que se arranca sin piedad  
 Es un pedazo del alma que se arranca sin piedad

que es verdadero, ay, no es un sueno, no  
Y me alegro que a veces al final no encuentres un momento, ooh no,

## The Great Pretender - The Platters Capo: I

Intro: E A B7

Oh-oh, yes I'm the great pretender, pretending that I'm doing well  
 My need is such I pretend too much, I'm lonely but no one can tell

Oh-oh, yes I'm the great pretender, adrift in a world of my own  
 I've played the game but to my real shame, you've left me to grieve all alone

Chorus:

Too real is this feeling of make-believe  
 Too real when I feel what my heart can't conceal

Yes, I'm the great pretender, just laughin' and gay like a clown  
 I seem to be what I'm not, you see, I'm wearing my heart like a crown  
 Pretending that you're still around

Chorus

Yes, I'm the great pretender, just laughin' and gay like a clown  
 I seem to be what I'm not, you see, I'm wearing my heart like a crown  
 Pretending that you're still around,

Still around

C E7 A A7 Dm A7 Dm  
 Once I lived the life of a millionaire, spent all my money, didn't have any cares

 Took all my friends out for a mighty good time

Then I began to fall so low, lost all my good friends had nowhere to go  
 If I get my hands on a dollar again, I'll hang on it 'till that old eagle grins,  
 because
